### **Flers. A window of ephemeral art on « Rue du 6 juin »**

The work « *Shades of Blue* » by Violaine Vieillefond is exhibited from Tuesday June 1st to Wednesday 30th in the window of the former shop Jules located « Rue du 6 juin » in Flers.

Until the end of the month, passers by will be able to enjoy the view of the work « *Shades of Blue* » by Violaine Vieillefond now shown at the Castle Museum.

For the city of Flers, the aim is plural : « *attract a new public and give it the opportunity to view other works of art at the museum and see the business space for rent* ».

The artwork on view is an acrylic painting imagined in 2020 by the artist Violaine Vieillefond to bring to the fore the different blues of the sky in the course of the day.
